Toll-like receptor signalling
S Akira, K Takeda - Nature reviews immunology, 2004 - nature.com
Abstract One of the mechanisms by which the innate immune system senses the invasion of pathogenic microorganisms is through the Toll-like receptors (TLRs), which recognize specific molecular patterns that are present in microbial components. Stimulation of ...

Inferences, questions and possibilities in Toll-like receptor signalling
Bruce Beutler

Murine cerebral malaria development is independent of toll-like receptor signalling
Togbe, D ; Schofield, L ; Grau, Ge ; Schnyder, B ; Boissay, V ; Charon, S ; Rose, S ; Beutler, B ; Quesniaux, Vf ; Ryffel, B
Tropical Medicine & International Health, 2007 May, Vol.12 Suppl 1, pp.203-204 [Peer Reviewed Journal]

The Toll-like receptors: analysis by forward genetic methods
Beutler, Bruce

Attenuated Activation of Macrophage TLR9 by DNA from Virulent Mycobacteria
Kiemer, Alexandra K ; Senaratne, Ryan H ; Hoppstädtler, Jessica ; Diesel, Britta ; Riley, Lee W ; Tabeta, Koichi ; Bauer, Stefan ; Beutler, Bruce ; Zuraw, Bruce L
Doffinger R, Patel SY, Kumararatne DS: Host genetic factors and mycobacterial infections: lessons from single gene disorders affecting innate and
Electronic legal Deposit Articles

Expert review of neurotherapeutics [electronic resource].
2001- | London : Future Drugs
• Online access is restricted: available via Bodleian Libraries reading room PCs only

How far away is spinal muscular atrophy gene therapy?
Gillingwater, Thomas H | Murray, Lyndsay M
• Online access is restricted: available via Bodleian Libraries reading room PCs only

Printing account required (PCAS)
How to access databases

Full list and access through OxLIP+
Other ways to obtain an article

Check **SOLO** for the **print** version

Use of Oxford e-Resources

Use of e-resources is governed strictly by licence agreements.

Remember:

– Only use for study and research but NOT for commercial purposes
– Don’t share your password or pass content from e-resources to anyone else
– Don’t do Systematic downloading
Deposit your Digital Copy in
https://ora.ox.ac.uk/
How to do it
http://libguides.bodleian.ox.ac.uk/digitaltheses

take care of the hard copy
Why get an ORCID?

- Funder reporting / mandate
- Importing from Scopus, Web of Science & more
- CV, Blog, Web page, Twitter, Email signature, Business card
- ORCID profile page
- ‘Great when you change your name’
- Grant & job applications
- Submitting manuscripts
- Publications, posters, presentations, datasets
- Take it with you when you leave

Why get an ORCID?
