Task 2 - Navigating special collections

Scenario 1:

- You are working from your own device at home and your research requires you to explore attitudes and debates around climate change. In particular, you wish to see any content created by or related to a scientist called Emily Shuckburgh. How many capture results can you view?

  630 – hint - participants should have changed filter to ‘view online’ only
• If you decide to only find content from the twitter account of Emily Shuckburgh what number does the capture result decrease to?
  412 - hint – filter by domain

If you have thought of any sites that you think should be in the UKWA? You can nominate them now.
