1) Go to Nexis and sign in with your Single Sign On if requested.

2) Enter publication(name of newspaper) in the search box e.g. publication(Le Monde)

3) You can filter your search results by date using the timeline filter. This will allow you to see a single day's news, like browsing the paper edition.
Browsing newspapers on Nexis

You see the sources available in Nexis by going to **Search > News**

![Nexis search interface](image)
